

Black Panther (1977 1979) #6 Jack Kirby

Marvel Comics' Black Panther is one of the most influential superheroes of all time. Created by Stan Lee and Jack Kirby, he first appeared in the pages of Fantastic Four #52 in 1966. Since then, Black Panther has become a global icon, inspiring countless people around the world.

In 1977, Jack Kirby returned to Marvel Comics and created a new Black Panther series, which ran for 12 issues. This series was darker and more mature than previous Black Panther stories, and it introduced several new characters and concepts. Kirby's Black Panther was a more complex and nuanced character than the one Lee and Kirby had created in 1966, and his series was a critical and commercial success.

In 1979, Kirby returned to the Black Panther series for a second run, which lasted for 18 issues. This run was even more successful than the first, and it helped to establish Black Panther as one of the most popular superheroes in the Marvel Universe.

Kirby's Black Panther has a long and storied history, and his legacy continues to influence the character today. Kirby's Black Panther is a powerful and inspiring superhero, and he is a symbol of pride and strength for people of all races.

Black Panther's Creation: How Jack Kirby Reinvented the Character in 1977

Jack Kirby was one of the most influential comic book artists of all time. He co-created some of the most iconic superheroes in history, including Captain America, the Fantastic Four, and the X-Men. In 1977, Kirby returned to Marvel Comics and created a new Black Panther series, which ran for 12 issues.

Kirby's Black Panther was a darker and more mature character than the one Lee and Kirby had created in 1966. This Black Panther was a warrior king who ruled over the hidden African nation of Wakanda. He was a master of martial arts and a brilliant scientist. He was also a proud and independent man who was determined to protect his people from harm.

Kirby's Black Panther was a more complex and nuanced character than the one Lee and Kirby had created in 1966. He was a man of contradictions, who was both fierce and compassionate. He was a warrior who fought for peace, and a king who cared deeply for his people.

Kirby's Black Panther was a critical and commercial success. It was one of the most popular comics of the 1970s, and it helped to establish Black Panther as one of the most popular superheroes in the Marvel Universe.
