The Fantastic Four is a team of superheroes who first appeared in Marvel Comics in 1961. The team consists of Mr. Fantastic, Invisible Woman, Human Torch, and Thing. The Fantastic Four have been featured in numerous comic book series, animated television series, and films.

## Origins

The Fantastic Four were created by Stan Lee and Jack Kirby. The team first appeared in *Fantastic Four #1* (November 1961). The Fantastic Four were an immediate success, and they quickly became one of the most popular superhero teams in comics.

The Fantastic Four were a departure from the superhero teams that had come before them. Previous superhero teams, such as the Justice Society of America and the Avengers, were made up of characters who had already been established as solo heroes. The Fantastic Four, on the other hand, were a group of new characters who were created specifically to be a team.

The Fantastic Four's origin story is one of the most iconic in comics. The team was created when four astronauts were exposed to cosmic rays during a space mission. The cosmic rays gave the astronauts superpowers. Mr. Fantastic gained the ability to stretch his body, Invisible Woman gained the ability to turn invisible and project force fields, Human Torch gained the ability to fly and shoot fire, and Thing gained the ability to transform into a rock-like creature.
