But don't worry, I'm here to help. In this article, I'll provide you with a comprehensive guide to failing as a popstar. I'll cover everything from neglecting your vocal training to alienating your fans. So if you're serious about failing in the music industry, then read on.

1. Neglect Your Vocal Training

One of the most important things for a popstar is to have a strong voice. But if you want to fail, then neglecting your vocal training is a great place to start.

Here are a few things you can do to sabotage your vocal cords:

- Smoke cigarettes and drink alcohol excessively.
- Scream at the top of your lungs at concerts and parties.
- Never warm up your voice before singing.
- Sing in a vocal range that is too high or too low for you.

If you follow these tips, you'll be well on your way to ruining your voice and making it impossible to sing well.

2. Write Bad Songs

Another key ingredient for popstar success is having great songs. But if you want to fail, then writing bad songs is a surefire way to get there.

Here are a few tips for writing terrible songs:

- Use clichés and overused lyrics.
- Write songs about topics that no one cares about.
- Make your songs too long and boring.
- Don't bother with melody or harmony.

If you follow these tips, you'll be able to write songs that will make people cringe and reach for the skip button.

3. Alienate Your Fans

One of the most important things for a popstar is to have a loyal fan base. But if you want to fail, then alienating your fans is a great way to do it.

Here are a few things you can do to drive your fans away:

- Be rude and disrespectful to your fans.
- Cancel concerts at the last minute.
- Lip-sync your performances.
- Make outrageous and offensive statements in the media.

If you follow these tips, you'll be able to turn your fans against you in no time.

4. Overspend and Go Broke

One of the biggest mistakes that popstars make is overspending and going broke. If you want to fail, then this is a surefire way to do it.

Here are a few things you can do to blow through your money:

- Buy expensive clothes, cars, and jewelry.
- Hire a large entourage of yes-men.
- Throw lavish parties.
- Invest in bad business deals.

If you follow these tips, you'll be able to drain your bank account and end up in debt.

5. Give Up Too Easily

Finally, if you want to fail as a popstar, then you need to give up too easily. The music industry is a tough business, and there will be times when you

want to throw in the towel. But if you want to succeed, you need to persevere.

Here are a few things you can do to give up on your dreams:

- Quit after your first setback.
- Don't put in the hard work.
- Listen to the naysayers.
- Give up on your dreams because you're afraid of failure.

If you follow these tips, you'll be able to give up on your dreams and become a failure.

So there you have it, my comprehensive guide to failing as a popstar. If you follow these tips, you'll be well on your way to achieving your goal of becoming a nobody in the music industry.

Just remember, failing as a popstar is not easy. It takes hard work and dedication. But if you're willing to put in the effort, then you can achieve your dream of being a failure.
