A Dystopian Masterpiece

The story unfolds in Rosewater, a sprawling metropolis located in Nigeria. In this oppressive society, the government maintains iron-fisted control, while advanced technology has become both a blessing and a curse. Citizens are plagued by a mysterious force that manifests as glowing blue worms, capable of invading their minds and feeding on their thoughts.

Amidst this chaos, we encounter Kaaro, a young woman determined to unravel the secrets of Rosewater. Her father, a brilliant scientist, has vanished under mysterious circumstances. As Kaaro delves deeper into the city's enigmatic underbelly, she uncovers a web of corruption, conspiracy, and ancient secrets that threaten to consume her.
