Savage Creation is a gripping tale of survival, revenge, and the primal instincts that drive both humans and animals. When a group of friends are shipwrecked on a remote island, they quickly learn that they are not alone. The island is home to a pack of wolves, and the humans are soon fighting for their lives.

As the humans struggle to survive, they begin to learn more about the wolves and the reasons for their aggression. The wolves are led by a vengeful alpha male who is determined to avenge the death of his mate. The humans must find a way to defeat the wolves, but they soon realize that the wolves are not their only enemy. The island is also home to a group of escaped convicts, and the humans must now fight for their lives on two fronts.

Savage Creation is a thrilling tale of survival, revenge, and the primal instincts that drive both humans and animals. The novel is full of suspense and action, and the characters are well-developed and relatable. The novel also explores the complex relationship between humans and animals, and the ways in which our actions can have far-reaching consequences.
